Q.4

The screenshot shows a web browser displaying a table titled "Countries and Capitals". The table has two columns: "Country" and "Capital". The "Country" column contains a bulleted list of five countries: Russia, United Kingdom, India, Germany, and France. The "Capital" column contains a numbered list of five capitals: 1. Moscow, 2. London, 3. New Delhi, 4. Berlin, and 5. Paris.

Country	Capital
• Russia	1. Moscow
• United Kingdom	2. London
• India	3. New Delhi
• Germany	4. Berlin
• France	5. Paris

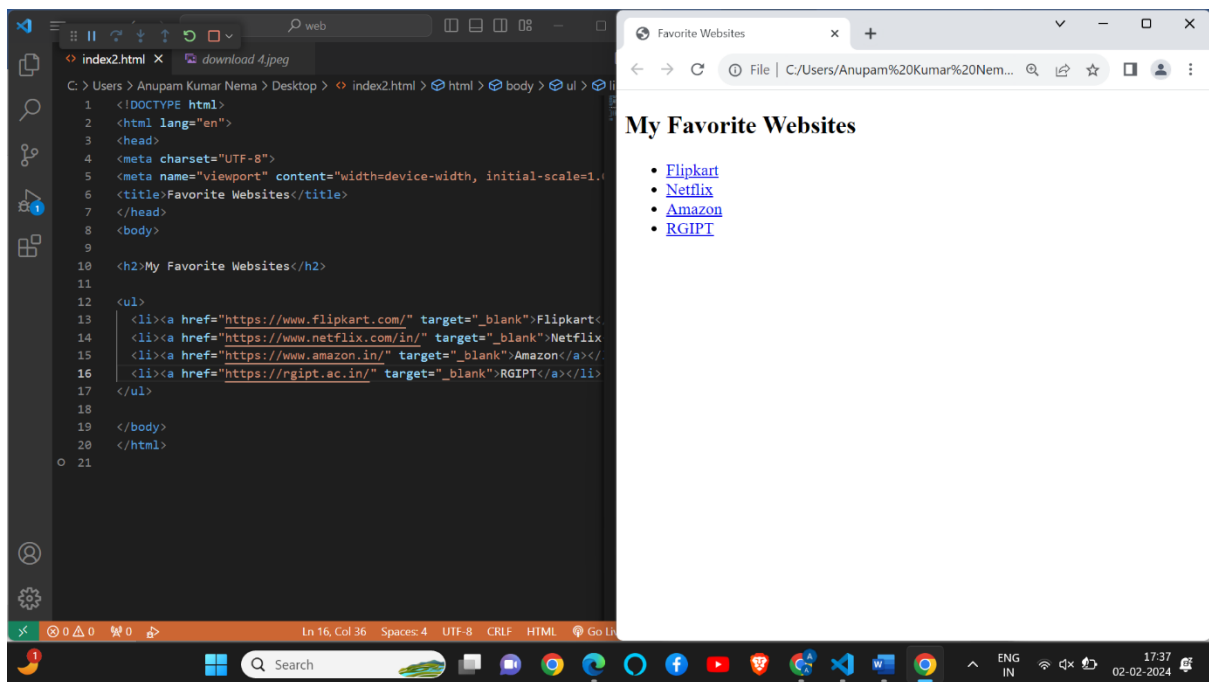

Q.5

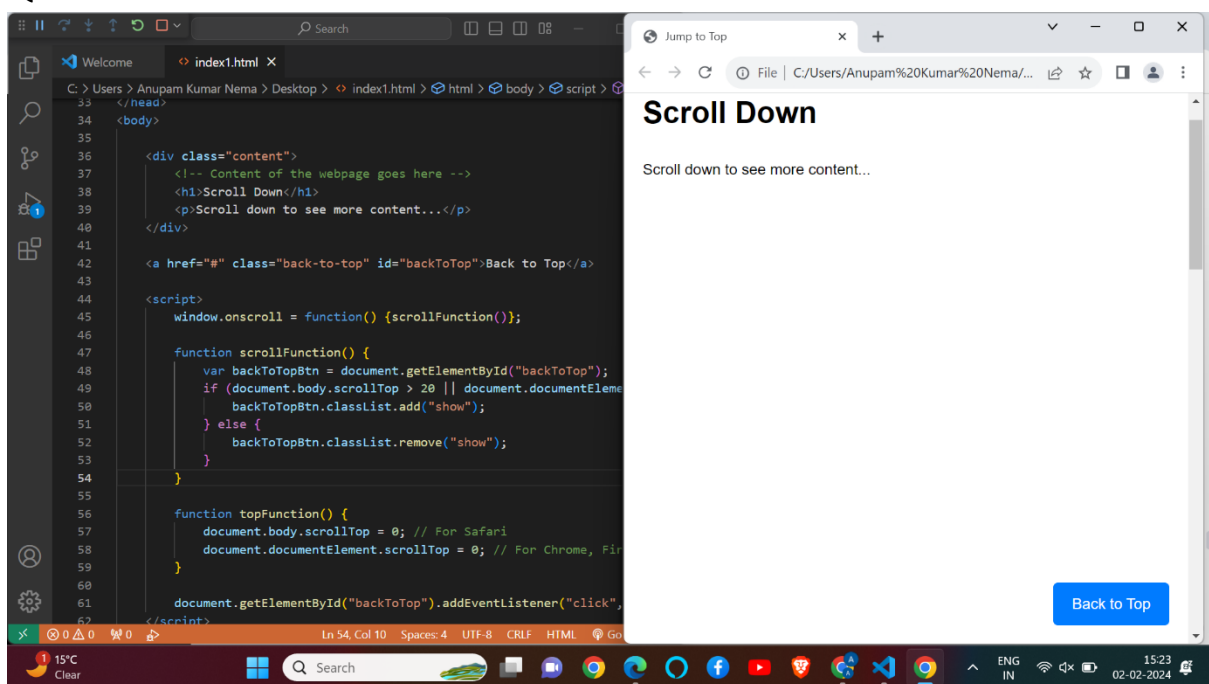

The screenshot shows a web browser displaying a table titled "Country Politicians". The table has three columns: "Country", "President", and "Vice-President". The "Country" column contains two entries: Turkmenistan and Eritrea. The "President" column contains two entries: Gurbanguly Berdimuhamedow and President Isaias Afwerki. The "Vice-President" column contains two entries: Berdimuhamedow and Vice-President None. The table uses rowspan and colspan attributes to format the data.

Country Politicians		
Turkmenistan	President	
Vice-President	Gurbanguly Berdimuhamedow	
Eritrea	President Isaias Afwerki	Vice-President None
